A HISTORY OF BARATON COLLEGE

The institution was started in the year 2007 mainly with the aim of training teachers. A few people showed interest in the P1 course and we admitted our First group of the P1 that year. In the same year, we enrolled a few students in ECDE and The Diploma in Teacher Education.

In the year 2012, we introduced Certificate and Diploma courses in Animal Health and Production. This Department is fully registered with The Kenya veterinary board and accredited by The department of Education.

We again in 2017 introduced Business and Technical courses in Artisan, Certificate and Diploma.

The vision of the college is to establish it as a Centre of excellence with education related studies aimed at developing knowledgeable and skilled human resources for enhancement of transformation and productivity in society.

The mission of the college is to provide high quality and affordable teaching, learning, research and services in an environment that enables staff and students to be practical and innovative in the current world.

The institution has four campuses namely;

1. Baraton campus, which is the main campus
2. Kapsabet campus in Kapsabet town
3. Eldoret campus in Eldoret Town and
4. Kericho campus located in Sisiot.

The institution has students from all the counties of Kenya.

COLLABORATION WITH OTHER UNIVERSITIES

From 2011, we were in collaboration with **Gretsa University - Thika** and we graduated several students with degree/Diploma and Certificate Awards in Education, Business and social sciences.

From 2014, we again had collaboration with **The Great Lakes University of Kisumu** and also managed to graduate many students with Degree, Diploma and Certificate Awards. Our collaboration is still ongoing.

From 2016, we collaborated with Kenya Highlands Evangelical University which has since changed to Kenya Highlands University.

We have an ongoing collaboration with The Great Lakes University of Kisumu.

We look forward to establishing a university of our own in the near future given the vast experience we have had with the three Institutions of Higher learning.

Kenya National Anthem

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving
